

Carers Support Merton – Members Application form

Carers Support Merton started in April 1992 under the management of Merton Voluntary Services Council.

A year later it became independent from MVSC, and in 1994 it was granted charitable status in its own right, and in 2001 it became a Charitable Company Limited by Guarantee.

One of the distinctive features of CSM is that its Constitution requires it to develop a broad-based membership which will ensure that it is influenced by carers and those working with or for them.

If you are interested in and support our work we hope you will decide to become a member of CSM. Membership is free and is open to carers, former carers, voluntary and statutory organisations, and to individual who support the aims of CSM, which are:

To offer information, advice and support to carers living in Merton; to identify carers; to promote the establishment of carers' support groups; to encourage changes in work practice and policy to improve support for carers; to promote carers participation in planning service provision; to encourage improved co-operation and collaboration between statutory , voluntary and private sectors.

As a member you will be eligible to serve on the management committee if you wish, and to vote at meetings. We hope you will become a member by completing the form below.
